# Numerical index

- The first column comprises all the numbers of the COM Documents published in 1983, in numerical order. When followed by an asterisk (\*) the documents are available only on microfiche.
  - The second column is comprised of the sequence number of the COM Documents published in this catalogue.
  - The third column is comprised of the microfiche number on which appears the relevant COM Document.
- NB: Certain documents are of an internal nature, which accounts for the numeration not being complete.
